Hi guys, I have met someone on the internet her name is Emily, she wants to know where I live so she can call on me.
What should I do?
Nathan

Hi guys, Emily has sent me photograph of herself. She is good looking what

do you think? She asked me to send a photograph of myself to her. What should I do? Nathan.

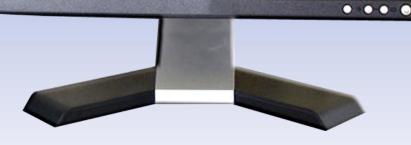

Hi guys, Emily wants to meet me in Swansea for a pizza. She wants to meet this Saturday. What should I do? Nathan

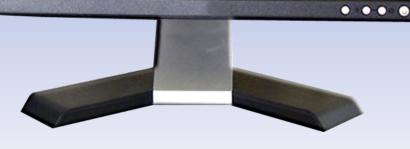

Hi guys, Emily has asked for my mobile number. What do you think? Nathan

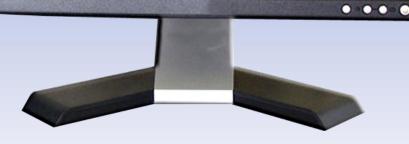

Hi guys, Emily sent me a message to day. She says she is really angry with me cos I didn't reply to her yesterday. The thing is, I was busy doing homework and didn't have time. I don't want to fall out. Should I apologise? Nathan.

Hi Guys, I think I am in big trouble. I told Emily that I hated one of the boys at school and told her his name. Emily says that unless I start telling her things about me, she is going to put some horrible things about me on the internet. What do you think I should do? If I tell my dad he will go mad because he told me not to chat on the net. Nathan
