I'm sure

I'm not sure

I don't want you to

I want you to

That feels good

Yes

I want to do this now

No

I feel good about this

I'm ready

I want to keep doing this

This feels right

I don't know how
I feel about this

I'm not ready

I don't want to
do this anymore

This feels wrong

I thought I wanted to but now …

I still want to …

Don't Stop

Stop

Silence

Maybe

I love you, but...

I want to do
this, but not now
